THE COMPASS

The COMPASS is the student handbook of Stetson University. It is printed to give valuable information to all members of the university community. For the freshman and transfer student this book is an introduction to the college life found at Stetson. For the upperclassman this book is a handy reference source.

As its name suggest the COMPASS is a guide to all phases of campus life. It provides description of each organization on campus. It also gives valuable information concerning university regulations. It is hoped this book will be a helpful reference and a guide to discovering a richer life at Stetson.

SAM GLADDING, Editor

A special thanks to Dr. Ann Morris, Dean Etter Turner, Dave Morgan and Nancy Hodges for their help on this book.

ORIENTATATION

Dear Incoming Students,

The Orientation Committee takes pleasure in welcoming you as Stetson Collegiates. There are many things about the activities and traditions of the campus that we feel you should be acquainted with before and during your first few days on campus. For this reason Orientation Week, from August 28 to September 1, has been carefully planned so that we might introduce you and Stetson to each other and present the many phases of campus life.

Your student adviser will be on campus to greet you when you arrive on Sunday, August 28, and will assist you in adjusting to college life at Stetson. During this time you will meet the administration, the faculty, and the students and plan your academic curriculum for the fall.

During this summer you will be receiving much correspondence from the University. We strongly urge you to read everything very carefully. Bring this *Compass* with you, for it will be used often during the first few weeks.

We could write you many details of Orientation Week — its purpose, activities, and opportunities. We wish, however, to say simply that this is your week. We offer Stetson to you — its traditions, its challenges, and its rewards. We of the Orientation Committee and the student body are eagerly awaiting your arrival. We welcome you - - - Stetson welcomes you.

Sincerely,

Darlene Smith

David Morgan

Student Co-Chairmen, Orientation Week

Schedule Orientation Week

SUNDAY, August 29, 1965

8:00 a.m.	Residence halls for women and men will be open on Sunday morning, August 29.	
4:00 p.m.	General Meeting	Elizabeth Hall Auditorium
4:30 p.m.	Pre-professional Meeting	Elizabeth Hall Auditorium
5:00 p.m.	Meeting of Transfer Students	Elizabeth Hall Auditorium
9:00 p.m.	Social Hour	Stetson Union Patio
10:30 p.m.	Meeting of All Women	Stetson Room
10:30 p.m.	Residence Hall Meeting for Men	Mens' Residence Halls

MONDAY, August 30, 1965

8:30-10:30 a.m.	School and Departmental Meetings	As Announced	LA-Liz Miss - Belton Bus - 5L
11:00 a.m.	General Meeting	Elizabeth Hall Auditorium	
1:00 p.m.	*Exemption and Placement Tests	As Assigned	
1:00-5:00 p.m.	Testing (see detailed schedule)	As Announced	
7:00- 8:30 p.m.	Meeting with Student Deans (including ROTC)	Men Stetson Theatre Women Stetson Room	Liz Hall
8:30 p.m.	*Exemption and Placement Tests	As Assigned	
9:00-10:30 p.m.	Social Hour for All Students in Women's Residence Halls	Residence Halls (up to cafe)	
10:30 p.m.	Residence Halls Meetings	Residence Halls	

TUESDAY, August 31, 1965

8:00 a.m.	Registration for Pre-Registered Students	Stetson Room
8:00 a.m.	*Exemption and Placement Tests	As Assigned
8:30- 9:30 a.m.	Faculty Lecture	Elizabeth Hall Auditorium

Stetson University · Fall, 1966

9:30—10:30 a.m.	Refreshments	<i>Suit of Adam</i> As Announced
10:00 a.m.	*Exemption and Placement Tests	As Assigned
1:00 p.m.	*Exemption and Placement Tests	As Assigned
1:00 p.m.	Individual Conferences with Faculty Advisers	As Assigned
8:30 p.m.	Social Hour with Faculty	Cafeteria <i>8:00 Committee</i>
10:30 p.m.	Residence Hall Meetings	Residence Halls

WEDNESDAY, September 1, 1965

8:00 a.m.	Registration for New Students	Stetson Room
3:00 p.m.	Inter-Fraternity Council Meeting for All Men	Elizabeth Hall Auditorium
6:30 p.m.	Leadership Banquet	Cafeteria
8:30 p.m.	Religious Group Parties	As Announced

THURSDAY, September 2, 1965

9:00 a.m.	Convocation <i>cap. gown for St.</i>	First Baptist Church
11:00 a.m.	Classes Begin	

FRIDAY, September 3, 1965

8:00 a.m.	Classes

SATURDAY, September 4, 1965

8:00 a.m.	Classes	
1:00 p.m.	Student Government Party	DeLeon Springs
7:00—8:30 p.m.	Freshman Talent Show	Stover Theatre
9:00 p.m.	Fraternity Parties	Fraternity Houses

*Separate schedule of exemption tests will be provided.

The Varied Term Plan

Stetson University will initiate a new program this year called the Varied Term Plan. It will consist of two semesters of fifteen weeks each, a short winter term of five weeks, and a summer term of eight weeks.

Under the new system, three kinds of courses will be offered:

1. BASIC SKILL COURSES which will include mathematics, languages and English.
2. THE GENERAL EDUCATION COURSES
3. DEPARTMENTAL COURSES

During the winter term each student will take six hours. It is designed so that the freshmen, sophomores, and most juniors can fulfill their general education requirements at this time. Freshmen will take G101-102 consisting of the physical and biological sciences. The social sciences, sequence G103-104, will be taken by sophomores and the humanities courses, G105-106, by juniors. Christianity and Western Thought, G107-108, will complete the requirements. This general education program is designed to emphasize the unity of knowledge. From studies of the world as created, students are carried through human institutions and structures to man's spiritual relation to the world. Also during the winter term, some juniors and seniors will do study and research in their major field.

During the two regular semester, a normal load will be fifteen hours. Exams for the fall semester will be given before Christmas vacation, leaving holidays as a study-free semester break. The spring semester will be nearly identical to the fall semester; exams will be given in May.

Things To Bring

The following is a list of things to be sure to bring with you. You will probably need these items desperately!

A good sturdy umbrella, well marked with your name and room number.

A hammer, screwdriver and pliers.

A beach towel.

A bookcase (for women).

Scissors and sewing kit.

Some old clothes that you can wear without worrying about ever being able to wear them again.

Extra light bulbs.

Some heavy clothes (Some nights it gets down to freezing).

Aspirin.

A flashlight.

A fan.

STUDENTS REGISTER FOR CLASSES.

TRADITIONS AND HISTORY

A History Of Stetson

Stetson University was founded when Florida had been a state for less than forty years. It began when Henry A. DeLand founded his academy in 1883. By 1887 this institution had become a full university. Due to financial difficulties the school seemed doomed to failure until John B. Stetson, the famed hat manufacturer, gave generously to save it. So in 1889 Mr. DeLand insisted that the trustees name the school John B. Stetson University.

The growth of the university has been made possible by four able presidents. Under Dr. John Forbes, Dr. Lincoln Hulley, Dr. William Allen and Dr. J. Ollie Edmunds the various schools of the university have made a great deal of progress and now rank among the best of their kind in the state. In 1948 Dr. J. Ollie Edmunds became the first university president to have been a graduate of Stetson. Under him Stetson has initiated a renovation of many of the older buildings and dormitories. To make campus life more pleasant a new Student Union has built in 1958. Just last year the beautiful DuPont Ball Library was completed.

Another enormous factor in Stetson's development has been the generous assistance of Florida Baptists. They offered help when the University was in its early stages of growth and in dire need of financial aid. In return Mr. DeLand let them use his academy's facilities for the purpose of founding a Christian university for Florida.

Early in its history Stetson began contributing outstanding citizens in all walks of life. Two governors of Florida, Mr. Doyle Carleton and Mr. Dave Sholtz, were graduates of the university, as were Mr. Bert Fish, former Minister to Egypt and Ambassador to Portugal, and Mr. F. P. Whitehair, former undersecretary of the Navy.

From pioneer beginnings Stetson has risen to become one of the finest private liberal arts colleges in the South. Evidence of this was the Ford Foundation Challenge Grant for 1½ million dollars, given to Stetson over all other similar colleges in the South in 1963.

Stetson is constantly striving to improve and to maintain its tradition of excellence.

THE LEADERSHIP BANQUET
FOR FRESHMEN IS ALWAYS
ENJOYABLE.

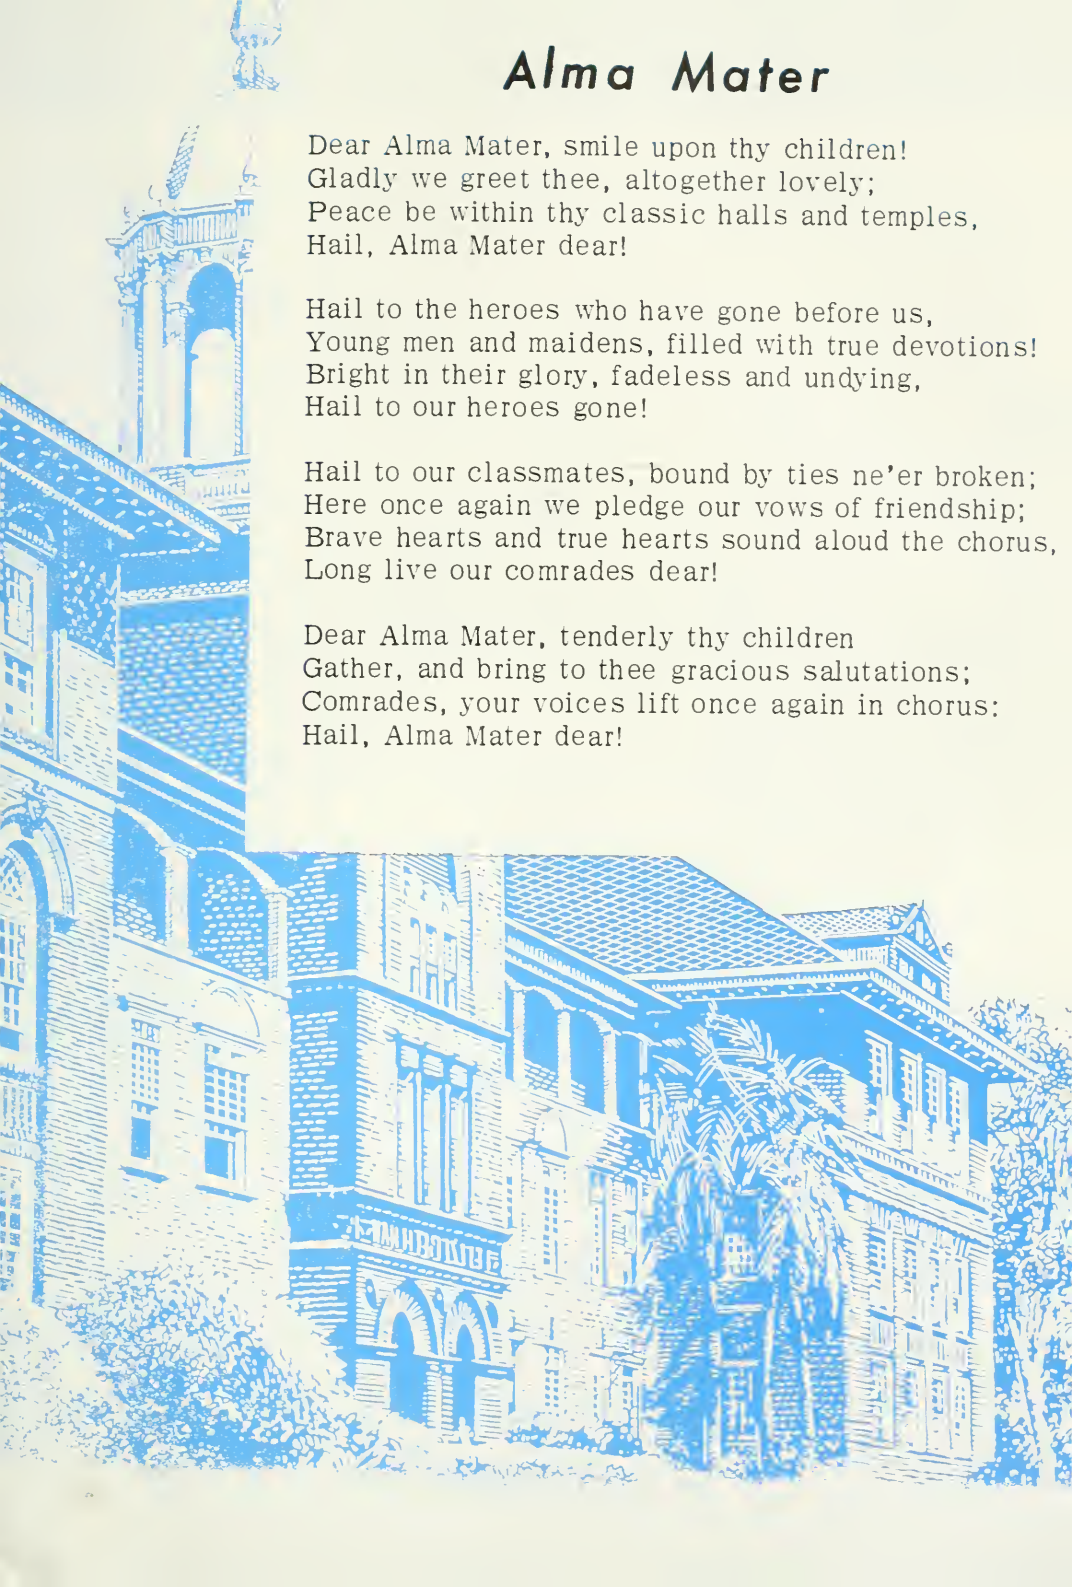

The Stetson Seal

The seal of Stetson is representative of the school. It was adopted by the school in 1889. The Latin motto, "Pro Deo et Veritate," is translated, "For God and Truth." The lamp signifying the light of truth, rests on the book of wisdom.

The Stetson Colors

Stetson's colors of green and white also have a deep meaning. The green signifies growth and the white represents purity. These colors were chosen from the Orange tree and they have been a symbol of the school since 1901.

Alma Mater

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotions!
Bright in their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus,
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus:
Hail, Alma Mater dear!

SMALL CLASSES ARE A PART OF STETSON'S TRADITION.

THE SETTING

The DeLand Area

DeLand was founded by Henry A. DeLand, a wealthy manufacturer from Fairport, New York, in 1876. The city is located in central Florida. It is 107 miles south of Jacksonville, forty miles north of Orlando and twenty miles west of Daytona Beach. It has a very mild climate the year round. The city itself is primarily residential and encompasses a population of about 12,000.

DeLand is provided with many forms of transportation. Both Interstate and State Highways make the city easily accessible by car. Greyhound and Trailways Bus service and the Atlantic Coast Line Railroad also have regularly scheduled stops in the city. Air service by Eastern and National Air Lines is available within sixteen miles of DeLand.

One of the principle industries in the area is the packing and shipping of citrus fruit. DeLand is situated in the heart of Florida's citrus belt. Dairy products, beef cattle and poultry are important agricultural industries. Also electronics, prefabricated cabinets, clothing, air conditioning and heating units are representative of the industry of DeLand.

The city is the gateway to the Ocala National Forest. Also the city has recreational facilities in golf, swimming, tennis and boating. There are two movie theaters in the city of DeLand.

The numerous lakes and springs surrounding the city and the mild semi-tropical climate make DeLand a pleasant place to work, play and live.

ON CAMPUS

The DeLand campus of Stetson University, covering about fifty acres within easy walking distance of the center of the town, contains approximately thirty buildings which house the academic and extracurricular activities of the college community. Most of the principal Stetson Buildings are now air-conditioned. In the listing below are a number of buildings which are an important part of the life of every Stetsonite.

ELIZABETH HALL, named for the wife of John B. Stetson and built in the Spanish Renaissance style, is the largest classroom building. It houses administrative offices and the university chapel.

FLAGLER SCIENCE HALL contains the physical sciences classrooms and laboratories and some administrative offices. On the second floor is the MONROE HEATH MUSEUM, which includes exhibits of American Indian arts and crafts, Florida plant and animal life as well as the Rice Planetarium.

DELAND HALL, the first and oldest building devoted to higher education in Florida, is the home of the Stetson School of Music.

The School of Business has its own building. HULLEY GYMNASIUM, for men, is named for a former president of the university, and CUMMINGS GYMNASIUM contains classrooms and other facilities for women's physical education.

The UNIVERSITY INFIRMARY is located on the first floor, north wing, of Chaudoin Hall for women. It is staffed and equipped for the treatment of all minor injuries and illnesses. It provides for the hospitalization of acute illnesses not requiring special nursing care. All full-time students are entitled to these services. The University physician is on call at all times and visits the Infirmary daily. Appointments are made by contacting the nurse. A nurse is on duty at all times.

The University is not responsible for treatment and care beyond the services offered by the Infirmary. The Infirmary offers emergency treatment for epilepsy, asthma, diabetes, etc., but cannot accept responsibility for the continuous care of these or any other prolonged illnesses.

All surgery, major and minor, performed at the Infirmary or elsewhere, is at the student's expense. If a physician is called without the proper authorization, or if a student visits the University physician's office downtown without proper referral, this is also paid by the student.

Absentee cards for classes and chapel are issued only to those who have been ill in the Infirmary or at home. The cards must be initialed by the appropriate instructors and returned to the Dean of Men or Dean of Women. A student ill at home is to bring a signed statement to the Infirmary upon his return to classes. All students living on campus or off should notify the Infirmary if possible of any illness or accident causing absence from class. The University cannot accept responsibility for illnesses or injuries unless they are reported to the Infirmary.

All residence hall women must sign out if they are remaining in the Infirmary overnight. The nurses will be responsible for signing out any woman for more than one night. Students leaving the Infirmary to go home with parents or otherwise must sign out from their respective dormitories.

There are thirteen RESIDENCE HALLS for men and four for women. The principal men's dormitories are Carson, Gordis and Smith Halls, and the fraternity houses and honors house recently constructed on "fraternity row." Other housing for men is also available. The women's dormitories are Stetson, Chaudoin, Conrad, and Emily Halls, all situated near the center of the campus.

ALLEN HALL, named for a former president of the University, is the student religious center given by the Florida Baptist Convention. It houses the offices of the Department of Religion, Director of Religious Activities, BSU director, the archives of the Florida Baptist Convention, the Extension Division of the University, prayer rooms for private prayer and meditation, meeting rooms, kitchen, and recreational facilities.

SAMPSON HALL, built with the help of Andrew Carnegie, is the home of the Fine Arts Department. It also contains classrooms, the language laboratory, the University art gallery, and Art Department workrooms.

The DUPONT-BALL LIBRARY, completed in 1964, is Stetson's newest academic building. It contains the books, per-

iodicals, government documents, maps, and other materials, for research, as well as classrooms and the Departments of English and Teacher Education.

The library schedule is:

Monday—Friday - - - - - 8:00 a.m.—10:00 p.m.

Saturday - - - - - 8:00 a.m.— 5:00 p.m.

Sunday - - - - - 2:00 p.m.—10:00 p.m.

The Government Documents Division is closed Sunday.

STOVER THEATER, located behind Cummings Gym, is named for Dr. Irving Stover, Professor of Speech, Emeritus, who has served Stetson as a faculty member for fifty-five years.

The STETSON UNION BUILDING, popularity known as the "SUB" has served as the campus living room since its opening in the fall of 1958. Its facilities also serve the local community. It houses the University Commons (cafeteria), Hat Rack (soda shop), Way Out (party and recreation room), Stetson Room (banquet hall and auditorium), post office, bowling alley, student and faculty lounges, private dining rooms, guest rooms, and the University Bookstore.

The Bookstore has all required textbooks and many other books, items for personal use and health care, and University souvenirs, supplies and novelties. Student checks up to twenty-five dollars (\$25) may be cashed at the Bookstore with proper identification.

Reservations for guest rooms, meeting rooms, and private dining rooms may be made at the desk in the lobby; game equipment is also available there. The student lounge is equipped with radio, hi-fi, piano, and color television.

Stetson Union Building hours are:

LOUNGES, MEETING ROOMS, ETC.

Sunday—Thursday - - - - - 8:00 a.m.—10:30 p.m.

Friday and Saturday - - - - - 8:00 a.m.—12:00 p.m.

Stetson Union Building hours are:

HAT RACK

Monday—Thursday - - - - - 7:30 a.m.—11:00 p.m.
Friday and Saturday - - - - - 7:30 a.m.—12:30 p.m.
Sunday - - - - - 1:30 p.m.—10:00 p.m.

BOOKSTORE

Monday—Friday - - - - - 8:00 a.m.— 4:30 p.m.
Monday Night - - - - - 5:30 p.m.— 8:00 p.m.
Saturday - - - - - 9:00 a.m.—12:00 Noon

POST OFFICE

Monday—Friday - - - - - 8:00 a.m.—12:00 Noon
1:00 p.m.— 4:30 p.m.
Saturday - - - - - 8:00 a.m.—12:00 Noon

CAFETERIA

Monday—Saturday - - - - - 6:45 a.m.— 8:15 a.m.
11:15 a.m.— 1:15 p.m.
4:45 p.m.— 6:15 p.m.
Sunday - - - - - 7:45 a.m.— 9:15 a.m.
11:30 p.m.— 2:00 p.m.
4:45 p.m.— 6:15 p.m.

BOWLING LANES

Friday and Saturday - - - - - 7:30 p.m.—12:00 p.m.

A SCENE FROM "SUMMER AND SMOKE" AT STOVER THEATER.

ACTIVITIES

Student Government

The Student Government of Stetson University is the voice of the student body. Every undergraduate student in the university automatically becomes a member of the Student Government and is subject to its Constitution and By-Laws. Each Spring students elect their representatives. The Student Government is composed of the four student body officers, twenty-eight senators, and the various committees supervised by the Cabinet. The student body expresses itself through its representatives to the Senate.

The four student body officers for next year are as follows:

President - - - - - Bill Schneider

Vice President - - - Dick Shuford

Secretary - - - - - Kitty Morris

Treasurer - - - - - Steve Busey

The Senate meets regularly every week on Thursday night at 9:00 p.m. in Room 204-205 Stetson Union Building. The meetings are open to anyone wishing to attend.

Among the twenty-eight senators are four from each class — freshmen, sophomore, junior and senior — and four from each school — Business, Liberal Arts, and Music. The person receiving the largest number of votes is designated as President of that particular class, school or college.

The work of the Senate is primarily executed through its committees. Each member of the Senate is on one of these committees. These committees are as follows: Judicial and Rules, Elections and Appointments, Organization and Finance, and Labor, Student Services and Education. The chairmen are appointed by the President of the Student Body.

The President has a Cabinet composed of the five Secretaries of: Communications and Public Affairs, Student Welfare, Student Events, Elections, and Traffic Control. These secretaries along with the four student body officers work closely in developing a legislative program. In addition individual members of the Senate initiate and support their own legislative proposals.

Some of the most active committees that the Student Government sponsors are listed here. These committees work hard to perform services for the Student Body. Anyone interested in working on any of these committees is asked to get in touch with the Student Government office.

THE GREEN FEATHER COMMITTEE plans Stetson's annual charity drive. This is Stetson's annual campus-wide charity campaign, the proceeds of which are divided among more than ten worthy national and local charities. It includes a carnival and the Miss Hatter Beauty Contest.

THE HATTER HOLIDAY COMMITTEE makes arrangements for recreational activities on Stetson's annual Hatter Holiday.

THE PARENT'S WEEKEND COMMITTEE sets up a week-end program of entertainment and orientation for parents who visit Stetson during Parents Weekend.

THE HOMECOMING COMMITTEE arranges for Stetson's annual Homecoming. This includes parties, open houses and a lawn decoration contest.

THE CONCERT COMMITTEE arranges for big name entertainment such as the Brothers Four and Peter, Paul and Mary to visit our campus each semester.

THE ASSEMBLIES COMMITTEE works hard to improve the quality and the interest in the Monday morning assemblies.

Freshmen elect four Senators to represent their class every year. These elections will be held in October. The exact date of the election will be announced two weeks in advance. Any Freshman who wishes to run for office should indicate this fact to the Student Government office as soon after the exact date of the election is announced in the fall. Rules for campaigning will be explained to all persons seeking office.

STUDENT GOVERNMENT

President's Letter

Dear Fellow Students,

On behalf of the student body and the Student Government, let me extend to each of you a warm welcome to Stetson University. We are proud of both our university and our Student Government. We look forward to your joining us in working together for an ever-increasingly effective Student Government.

You are entering a community that has a vital interest in and participates actively in its Student Government. As the year progresses, you will find that there are a great number of specific ways you can serve as a part of this joint effort. To accomplish this it is necessary that we become acquainted with you so that your talents may be most adequately utilized to the benefit of all of us. Early in the year the Student Government will distribute a check-sheet on which you may indicate your own particular area of interest in Student Government. This procedure will afford you the opportunity to demonstrate your willingness to join in the effort to advance the purposes and realize the goals of your Student Government.

The importance of the period you are now entering can hardly be overemphasized. During these four years you will grow and mature as an individual in many varied ways. A great part of this self-development will consist of your working with other people. It is the purpose of Student Government to provide areas in which the student has the opportunity for individual growth and to provide services that will make his college life more pleasant. We shall attempt to make Student Government a reality to individual students. We must each be aware of our responsibility in the successful achievement of these goals.

Again, the student body and the Student Government welcome you to the Stetson community and wish you the best in your college career.

Sincerely yours,

Bill Schneider

Bill Schneider
Student Government President

Stetson Union Board

The Stetson Union Board plans activities centering around the Stetson Union Building and the Way Out. These activities include weekly movies, record parties, lectures, study breaks, holiday dinners, tournaments and receptions. The Union Board operates under the Student Affairs Committee, as does the Student Government, and is a parallel organization to the Student Government. All students are members of the Stetson Union. Freshmen or other interested students interested in working on one of the Union Board Committees should contract the appropriate chairman.

Officers of the Stetson Union Board for the 1965-66 academic year are as follows:

President	-----	Jack Dawson
Vice President	-----	John Tubb
Recording Secretary	-----	Nina Pylkas
Corresponding Secretary	-----	Judy Gregg
Treasurer	-----	John LeLand
Education Committee	-----	Bonnie Moffatt
Social Committee	-----	Mack Gooding, Barbara Beadle
Hospitality Committee	-----	Nancy Combs
Films Committee	-----	Jerry Jackson
Recreation Committee	-----	Steve Rushing
Publicity Committee	-----	Joyce Ashley

Other members of the Stetson Union Board include: Dean Etter Turner, the Student Government Vice President, Dick Shuford, Director of Religious Activities, Mr. Jack Mabry, and an Advisor, Mr. Harry Edwards.

Publications Board

The Publications Board is a joint committee of student and faculty which governs and assists student publications. One of its functions is to review and approve the applicants that wish to run for elective publication offices. The editors and business managers of the student publications along with Dean Turner and two faculty members are the voting members of the Board. The Student Government Vice-President also sits with the Board. The Chairman is appointed by the Journalism Honorary.

The Publications Board decides on the publishers of the various publications and helps the editors in making decisions about their books.

The Publications Board members for 1965-66 are as follows:

Chairman	Howard Snyder
Reporter Editor	Tom Hendry
Reporter Business Manager	Howard Snyder
Hatter Editor	Mary Thompson
Hatter Business Manager	To Be Announced
Stetson Review Editor	Kathy Kentner
Compass Editor	Nancy Hodges
Student Government Veep	Dick Shuford
University Administration	Dean Etter Turner
Faculty Advisers	Dr. Ann Morris, Mr. Fluker Steward

If you are interested in working on any of the Stetson University student publications, you may contact the editor or business manager for more information.

Religion

Our University was founded by men and women of strong religious faith and it is dedicated to the principles of Christian education. Stetson strives unceasingly to develop a community which encourages and supports the deepening of each individual's Christian faith.

Chapel services are conducted twice a week and each student is required to attend one of the services. The Dean of the Chapel is Dr. James A. Stewart, whose office is in Room 208 of the Stetson Union Building. He is available daily for counseling.

Interdenominational Vespers are held each Tuesday and Thursday at 6:30 p.m. in Allen Hall. These devotional services last approximately twenty minutes and are planned and directed by a student committee which includes representatives from the various religious organizations. You are cordially invited to attend Vespers.

Nine major denominations have student organizations here. These organizations serve as a link between the campus and the church and encourage church attendance. Programs and socials are presented by each of these groups.

Religious Life Council

The Religious Life Council is responsible for the planning and promoting of all religious activities on campus. These include religious orientation during Orientation Week, Thanksgiving services, the Yule Log Lighting service, Religious Focus Week, and Easter services. Your suggestions are welcomed by the Council.

The week of February 27 – March 4 will be Religious Focus Week. Outstanding theologians will visit the campus at that time, as will leaders in the fields of art, drama, literature, and music.

The Religious Life Council welcomes all students and encourages each one to strive to deepen his personal spiritual life and widen his spiritual service. The faculty members of the council are listed below.

Mr. Jack Mabry, Chairman

Dr. James A. Stewart, Dean of the Chapel

Dr. O. L. Walker, Chairman of the Department of Religion

Members Of Religious Life Council

BAPTIST STUDENT UNION

President—Bing Vick
Representative—Miriam Montero
Director—Jack Mabry

CANTERBURY HOUSE (EPISCOPALIANS)

Senior Warden—Dick Holifield

UNIVERSITY CONVOCATIONS
ARE HELD REGULARLY.

Voluntary Activities

THE STETSON SYMPHONY ORCHESTRA provides opportunity for orchestral experience as a player, soloist, and conductor. Reading and performances of student compositions and arrangements are given. Concerts are presented from the repertory of standard overtures, symphonies, concertos, classical and modern works. The Orchestra also joins the Choruses for oratorio and opera performances. Interested students should contact Ronald Boykin.

THE STETSON BAND furnishes suitable combinations for University functions. The Concert Band is a selected instrumentation that appears in concerts locally and in other cities. Mr. Richard Feasel is the Director.

The CONCERT CHOIR and UNIVERSITY CHORUS are under the management of Ken Steele. Both groups perform throughout the year for university functions as well as being heard in concert. They also acquaint students with as much choral literature as possible. Two major choral works a year, one with the University Symphony are performed. Anyone wishing to audition should see Dean Langston in the Music School.

THE BRASS CHOIR is composed of students in the School of Music. Directed by Mr. Donald Yaxley, it is heard in concert several times during the year.

THE MADRIGAL SINGERS are a group chosen by audition. They sing madrigals, mostly from the fourteenth and fifteenth centuries. any students may try out for the group by contacting the director.

THE ACCOUNTANCY CLUB is an organization of students interested in accounting; it attempts to further interest, opportunities, and ability in accounting. President is Terry Barrett, Box 695.

The AMERICAN GUILD of ORGANISTS works to advance the cause of worthy religious music, to elevate the status of the church musician, and to provide members with opportunities for meeting and for the discussion of professional topics. President is Doug Butler, Box 184.

BETA ALPHA SIGMA, the business fraternity, is composed of men in the school of Business who have at least a C average and a minimum of twelve (12) hours in business courses. Its purpose is to familiarize the members with actual problems and conditions that exist in business life. President is Phelps Salter, Box, 197.

CCUN is an organization to promote interest in foreign affairs and to discuss the policies of the United Nations. President is Judy Brown, Box 579.

DEBATE SQUAD is an organization to prepare students for inter-collegiate debate and forensic tournaments and to promote interest in local forensic events. If you are interested in debate, contact Jay Mechling, Box 514.

THE INTERNATIONAL CLUB fosters international understanding, and fellowship with and among foreign students. The President is Demetrius Moschandreas, Box 432.

LA FRANCIADE is an honorary organization of students in intermediate and advanced French courses to foster an extra-curricular interest in the language, the customs, and the literature of France.

THE L CLUB is the spirit club of Stetson University. Its activities center around sports and university functions. President is Oneita Waters.

THE MINISTERIAL ASSOCIATION is an organization for students wishing to enter a church-related vocation (music, missions, education, religious social work, etc.) President is Hoyt Edge, Box 1227.

THE MUSIC EDUCATOR'S NATIONAL CONFERENCE is the national organization for students of music education. Its goals are to further music education in the schools and to compare and improve music education standards. Its President is Jim Thompson, Box 507.

THE PLAYERS' GUILD is an organization whose purpose is to broaden the scope of the theatrical program at Stetson, trying to show interested students as many phases of the theatre as possible. President is Christine Hedrick, Box 799.

PUBLICATIONS of Stetson are open to any interested person. To find out details and to work on them contact the respective editor.

THE COMPASS—1966 is a student handbook of information and instruction about the University. Editor is Nancy Hodges, Box 1104.

THE HATTER is the Stetson yearbook. Mary Thompson is the Editor, Box 813.

THE STETSON REPORTER, Florida's oldest college newspaper, is published weekly by the students. Editor is Tom Hendry, Box 1245.

THE STETSON REVIEW is the student literary magazine. Any contributions for the magazine may be sent to Kathy Kentner, Box 805.

SIGMA BETA CHI is an organization open to all girls in the School of Business, who have a minimum of 12 hours in Business with a C average. Its purpose is to supplement business education at Stetson University. President is Jane Beyer, Box 434.

THE SAILING CLUB is organized to acquaint people with sailing, whether or not they know how to sail.

STETSON WATER SKI CLUB works toward three objectives: to promote greater interest in water skiing, to improve in skiing techniques, and to train interested non-skiers.

STUDENT FLORIDA EDUCATION ASSOCIATION is a statewide organization to inform prospective teachers of various aspects of the teaching profession. President is Shirley Barrett, Box 699.

THE S CLUB is an organization of varsity lettermen. Its purpose is to encourage sportsmanship, to develop scholarship, and to promote a spirit of cooperation among athletes, other students, and faculty.

YOUNG DEMOCRATS OF STETSON is a nationally affiliated organization whose purpose is to stimulate political thought through discussion and to translate that thought into effective political activity. President is Joe Parko, Box 1233.

Organizations and Honoraries

MORTAR BOARD is a national leadership and service organization; membership is the highest honor Stetson can bestow on outstanding women. Members are selected each spring by the current members from junior girls who have maintained at least 1.8 scholarship averages and who have been outstanding leaders on campus. President is Sandy Hardy, Box 7.

OMICRON DELTA KAPPA is a joint student-faculty national leadership honorary society which recognizes junior and senior students and faculty members of exemplary character and outstanding leadership in the major areas of University activities. Membership in Omicron Delta Kappa is the highest honor in the area of leadership which a man can attain at Stetson. President is Bob Eslinger, Box 335.

THE TASSEL is a leadership honorary for rising junior women, who are chosen in the spring of their sophomore year by the members of Mortar Board. Membership is based on a 1.6 average, potential leadership, and character. President is Darlene Smith, Box 478.

THE GREEN CIRCLE is sponsored by Omicron Delta Kappa as a rising junior men's honorary. Members are selected on the basis of potential leadership, scholarship, and character. President is Bill Morris, Box 405.

THE ORDER OF THE SCROLL AND KEY recognizes and encourages high scholarship and leadership. Members must have a 2.5 average and are chosen from the highest five percent of the junior and senior classes. President is Linda Hawes, Box 230.

THE PHI SOCIETY is sponsored by faculty members of Phi Beta Kappa; it recognizes high scholarship among students in the College of Liberal Arts. Members are chosen in the fall from sophomores who maintained a 2.5 average their freshman year. President is Sandy Hardy, Box 7.

BETA BETA BETA is a national honorary biology organization, whose purpose is to increase interest in biology, to stimulate sound scholarship, and to encourage biological research. Membership is limited to biology majors who maintain a B-average in biology. President is Mike Mabry, Box 840.

GAMMA SIGMA EPSILON is a national honorary chemistry fraternity; it presents seminars and papers and otherwise promotes interest in chemistry. Members must have at least 10 hours of chemistry and maintain a B average. President is Jeff Jones.

GAMMA THETA UPSILON is a national geography fraternity, whose aim is to promote interest and scholarship in this field. A person eligible for membership must have a minimum of six hours in geography and must have a B average. President is Mary Upshaw, Box 562.

KAPPA DELTA PI is a national honorary education fraternity to encourage scholarly achievement and the pursuit of worthy educational goals. Membership requires six hours of education for juniors and twelve for seniors who maintain a 1.8 average.

KAPPA MU EPSILON is a national honorary mathematics fraternity. Members must have had one semester of calculus, a 2.0 average in math, and a 1.5 overall average. President is Demetrius Moschandreas, Box 432.

KAPPA KAPPA PSI is a national honorary band fraternity for men, promoting the interests of college bandsmen and fostering good band music. A member must have one year of band, maintaining at least a C-average. This group sponsors the Pep Band which performs at soccer and basketball games. President is Jim Ault, Box 326.

KAPPA PI is a national honorary art fraternity, which seeks to promote a deeper awareness and better understanding of the arts by its students, and the campus community. Members are qualifying upperclassmen with art majors. President is Joel Bagnol.

PERSHING RIFLES is a national honor society which is designed to provide an opportunity for interested ROTC cadets to exercise their leadership abilities and discover their leadership capabilities. The Pershing Rifles usually sponsors a fancy drill team for interested and qualified ROTC cadets. Commander, cadet Capt. Jim Parker, Box 1215.

PHI ALPHA THETA is the national history honorary society which meets periodically during the academic year. It is open to outstanding students who have had a minimum of 12 hours in history. President is June Burton, Box 783.

PHI BETA is a national professional fraternity for women in music, whose purpose is to promote the best in music. A B-average is required for membership, and members serve as hostesses for all music activities. President is Margaret Cox, Box 710.

PI KAPPA DELTA recognizes those interested in forensic activities through participation in speech and debate. Their purpose is to promote the ideals of free and candid discussion on the university campus. President is Jay Mechling, Box 514.

PSI CHI is an honorary psychology fraternity. Its purposes are to increase study and research in psychology, and to foster a better spirit among psychology students. President is Gary Hanson, Box 780.

THE SCABBARD AND BLADE is a national military honor society for Advance ROTC cadets. Its purpose is to develop and foster the ideals and practice of military education in the United States and particularly in various colleges and universities where military sciences are taught. President is Pete Hogue, Box 275.

SIGMA DELTA PI is a national honorary Spanish fraternity recognizing achievement in advanced language study. It offers annual medals to outstanding Spanish students in the four high schools of Volusia County. President is Nancy Smith, Box 769.

SIGMA PI KAPPA is a local journalism fraternity which recognizes outstanding work on the Stetson student publications. President is Bill Roberts, Box 386.

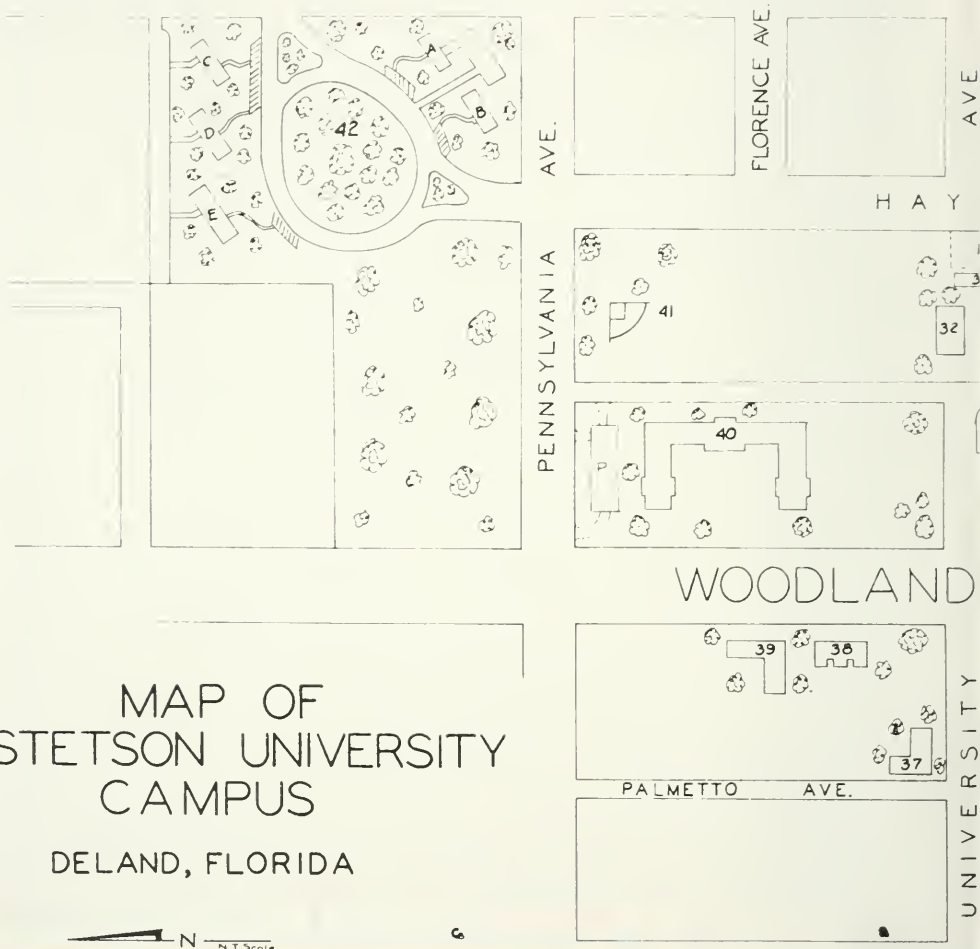

SIGMA TAU DELTA is a national honorary English fraternity recognizing exceptional scholarship in English. Members must have at least 9 hours in English with a B average. This fraternity encourages literary endeavor. Sponsor is Dr. William Taylor.

TAU BETA SIGMA is a national honorary band fraternity for women. President is Diana Norton, Box 514.

THETA ALPHA PHI is a national dramatic fraternity fostering artistic achievement in the allied arts and crafts of the theater. Members must have at least a C-average and ten points in three fields of drama. President is Liz Rogers, Box 165.

SORORITIES WAIT THEIR NEW
PLEDGES ON PLEDGE DAY.

Social Organizations

There are six sororities (Alpha Chi Omega, Alpha Xi Delta, Delta Delta Delta, Phi Mu, Pi Beta Phi, and Zeta Tau Alpha) and six fraternities (Delta Sigma Phi, Lambda Chi Alpha, Pi Kappa Alpha, Pi Kappa Phi, Sigma Nu, and Sigma Phi Epsilon) on Stetson's campus. One of the big decisions you will make will be whether or not to join one of these organizations. It is perfectly true that one can have a happy, valuable college career without being a member of a Greek organization, but for some people belonging makes adjustment to college easier and quicker.

Sororities and fraternities cost the student in time and money, but they have remained strong on many campuses across the nation because they fulfill the deep and undeniable desire to have a circle of loyal friends and to "belong". These groups also provide a more varied social life than is available on the campus.

Sororities and fraternities are not all fun and games. There is a greater emphasis being placed on scholarship than ever before since this is the purpose of college. Each member is also urged to develop his individual talents and interests by participating in a variety of other campus activities. Sororities and fraternities strive to develop the whole person, not just the social side.

Membership in any of the national sororities and fraternities is an honor and a distinction. In order to become a member, students must participate in rush which is sponsored by Panhellenic and Interfraternity Councils in the fall and spring. This practice of "rushing" allows individuals to find the groups for which they are best suited. Though this time may seem trying, it is necessary to secure your future happiness.

Interfraternity Council

Dear Freshmen Men,

As President of the Inter-Fraternity Council I am privileged to extend to you a personal welcome on behalf of the men of the fraternity system here at Stetson University.

The purpose of the Stetson Inter-Fraternity Council is the coordination of activities and academic standards of the various fraternities and the responsibility for these functions. The Inter-Fraternity Council is composed of two members from each fraternity (one of whom is the fraternity president), an alternate member from each fraternity and the four presiding officers.

Today the Fraternity System at Stetson University is an integral part of college life. The Fraternity System here is composed of men who have come to believe and share in the validity of Greek organizations on this college campus. I strongly urge you to take part in the Inter-Fraternity Council Fall Rush as it will give you the opportunity to meet and talk with fraternity men in general, and in this manner, you, as an individual, will be better qualified to judge the merit of the fraternity in your college life.

I am looking forward to meeting and serving you this coming year.

Sincerely,
Larry Pierce
President
Inter-Fraternity Council

Panhellenic Council

Dear Freshman Woman,

We of Panhellenic wish to welcome you to our campus and express our hope that you will find much happiness in your life here at Stetson.

The Panhellenic Council is made up of representatives from each of the six sororities, who will serve as your advisors during rush. We hope that you will feel free to come to us with any questions or problems you may have concerning Greek life and pledging.

Rush, like the orientation period, is a happy, "getting-to-know-you" time, and we are looking forward to doing just that!

Sincerely,
Kathy Warthen
President

ATHLETICS

Intercollegiate Sports

Stetson University has varsity teams competing in basketball, soccer, baseball, tennis, and golf. All university men are urged to try out for these teams. Freshmen are eligible, provided they are not transfer students or professional athletes.

Stetson is a member of the National College Athletic Association and the National Association of Intercollegiate Athletics. Under the new Florida Athletic Conference, Stetson competes in a league with Rollins, Florida Southern University, and Tampa University in the above mentioned sports.

The Stetson Hatter Basketball team, under the well-known coach, Glenn Wilkes, always turns in a fine seasonal record. In 1963 they placed second in the NAIA tournament in Kansas City. In 1964 Coach Wes Berner led the soccer team to victory in the Florida Intercollegiate Conference. Coach Berner also heads up the golf team. Stetson has an outstanding tennis team, coached by Ray Hussey, and a fine baseball team under the directorship of Bob Weickle.

Activity tickets admit all Stetson students free to all campus athletic contests.

MEN'S INTRAMURALS

Stetson's physical education department and the Intramural Board provide a varied intramural sport program for all men desiring to participate. Teams are entered by the six Greek fraternities and by the Independent Men's Organization. A wide range of sports, including football, basketball, baseball, tennis, golf, badminton, volleyball, bowling, table tennis, paddleball, riflery, cross-country, and horseshoes are played. Points are awarded in each of these sports and the organization accumulating the greatest number of points throughout the year is awarded the President's Cup. Any team winning three years in a row retires this coveted trophy. Other awards are the Achievement trophy to the team showing the greatest improvement over the past year, and the Intramural Athlete of the Year Award presented to the individual who wins the most number of points during the year.

Athletic events are conducted by round robin, elimination, and double elimination tournaments depending on the sport. Points are awarded to teams placing first, second, and third. In case of a tie in any sport, playoffs are set up.

For information concerning scheduling and other intramural questions check the intramural bulletin board between Hulley Gym and the Stetson Union Building. The intramural offices in Hulley Gym are also glad to answer any questions concerning their activities.

WOMEN'S ATHLETICS

The program for women is very similar to that provided for the men. Under the directorship of the Women's Intramural Board a varied program of sports is planned to give all university women the opportunity to participate in wholesome recreational activities. Teams are sponsored by the six sororities, the dormitories, and any other organization wishing to participate. These groups compete in volleyball, basketball, softball, tennis, badminton, shuffleboard, table tennis, and horseshoes, vying for the Intramural Trophy which is presented to the team winning the greatest number of points throughout the season. Also, a participation trophy is given for the highest percentage of participation within one group. Girls entering six or more of the eight sports win letters, and outstanding players are chosen: "Rookie of the Year" and Athlete of the Year." The rules for awarding points are the same as those governing men's intramurals.

CAMPUS FACILITIES

The facilities offered for men are Hulley Gym, Hulley Field, and the new athletic areas on Minnesota Avenue. Hulley Gym is equipped with regulation basketball court, lockers, showers, and training rooms, complete gymnastic equipment including trampoline, badminton courts, table tennis, weights, punching bags, projection room, and offices for the staff.

HULLEY FIELD, adjacent to the gym, serves as the varsity baseball practice field and has two volleyball courts, two horse shoe pits, two paddleball courts and the R.O.T.C. marching field. The shuffleboard area is between the gymnasium and the Stetson Union. The athletic areas on East Minnesota Ave. in-

clude the varsity soccer field and track, plus two football fields for intramurals. The newest addition to the athletic facilities is six asphalt tennis courts in the area adjacent to the track.

CUMMINGS GYM houses the offices for the women's department as well as facilities for women's and co-recreational activities. It has a main floor for basketball, badminton, and rhythms. It also has separate classrooms, table tennis and recreational sports facilities, locker and shower rooms, photographic lab, corrective apparatus, and a complete equipment room. Cummings Field is the center for women's outdoor activities.

The six tennis courts adjacent to Cummings Gym are available for limited use by students and the public after class hours. Four courts for volleyball, handball, paddleball, and tennis practice are located west of the Cummings Gym courts. Tennis equipment may be checked out from the gym by women and from Hulley Gym by men.

Cummings Gym is open for women's recreation each weekday from 8:30 a.m. to 5:45 p.m. The gym is open for general use at night.

CHEERLEADERS

Cheering at all home basketball and soccer games and those away games within the state, are Stetson's seven regular and three alternate cheerleaders. In the beginning of the fall semester, all interested women are asked to come out for cheerleading tryouts, ALL Stetson women are eligible and need not have been high school cheerleaders. There is a week of training and learning basic cheers, after which there is the elimination day when judges choose both the new regulars and alternates. Grades are important and must be kept at a C average in order to remain on the squad.

STETSON ALWAYS BOASTS A STRONG BASKETBALL TEAM.

REGULATIONS

University Regulations and Information

An important function of the COMPASS is to introduce the entering student to the regulations, standards, and procedures which he is expected to follow at Stetson. This edition, along with the current catalogue, provides a comprehensive description of such regulations, and all students should be familiar with them. The entrance of a student into the University indicates his agreement to conduct himself with dignity and respect for the regulations of the University, both on and off the campus violation is grounds for disciplinary action.

As yet the Stetson students have not adopted an "honor system," whereby each student agrees to report dishonesty on his or any other student's part. However, the personal integrity of a student is held in highest regard at Stetson. Any student who, through acts of dishonesty or falsification of information, demonstrates that he cannot live up to this ideal may expect to forfeit his right to continue in school.

The academic dean of each college is responsible for the enforcement of regulations affecting registration, classroom procedure, and degree requirements. In some instances this responsibility is delegated to department heads, faculty advisers, faculty committees, or to individual faculty members.

Because Stetson upholds the importance of student government, in most instances the enforcement of social regulations is delegated to the Women's Student Government Association or to the Men's Judiciary Council. The ultimate responsibility for enforcement of regulations which pertain to the standards of behavior outside the classroom belongs to the student deans. Although the Dean of Students' office is responsible for all duties of the student deans, the term "appropriate student dean" refers to the Dean of Men for men students, to the Dean of Women for women students.

All standards and regulations as outlined by the women's and men's councils apply to all students of the university whether they are day students or live in residence halls.

GENERAL REGULATIONS

1. **CHANGE OF REGISTRATION.** The deadline for students' dropping a course without a penalty is stated in the University Catalogue. A student must first obtain permission from his instructor, his faculty adviser, and finally, the dean of his college or school.

2. SOCIAL CALENDAR. All social events must be scheduled on the University Calendar which is kept in the office of the Dean of Women. Students who are responsible for events which need chaperones should consult this calendar and make necessary arrangements in the Dean of Women's office well in advance of the event.

3. WITHDRAWAL FROM THE UNIVERSITY. Students who wish to withdraw must receive clearance from several administrative offices and should begin with withdrawal procedure at the office of the appropriate student dean.

4. CLASS ATTENDANCE. The method of instruction employed at Stetson requires regular attendance at classes. Two regulations govern absences:

(1) A student missing classes to the detriment of his work will be warned by the instructor that further absences may result in a reduction of his grade; he will be reported to the dean of his college and to the appropriate student dean.

(2) Ten per cent of class meeting is regarded as a maximum of absences — for illness, emergencies, social activities, or any other reason.

There are no excused absences, only explained or unexplained absences. Students are responsible for making up the class work they miss and should make these arrangements in advance whenever possible.

5. CHAPEL ATTENDANCE. As a church-related University, Stetson considers the chapel services held on Wednesday and Friday mornings, and the student assemblies on Monday mornings, to be integral parts of the total educational experience of each student. Both programs are designed for the purpose of drawing the student body and faculty into a unit through common worship and through the sharing of educational and esthetic experience. HENCE ATTENDANCE AT BOTH PROGRAMS IS REQUIRED OF ALL STUDENTS.

The following regulations have been designed to emphasize the important place held by these programs in the estimation of the University.

(1) Chapel and assembly absences are recorded separately.

(2) Each student is allowed two unexcused chapel absences during each semester.

(3) Each absence in excess of two, unless excused by the appropriate student dean, will result in the deduction of one-half quality point. Such a deduction becomes part of the student's

permanent record, and is referred to if his conduct or academic record is under consideration.

(4) If a student's unexcused absences exceed three in any one semester, appropriate disciplinary action will be taken. The procedure will follow that for any other infraction of University rules and may result in suspension from the University.

6. INVENTORIES, EXAMINATIONS, SEMESTER HOURS, GRADES, QUALITY POINTS. At the end of each five weeks' period in the fall semester and once in the spring and summer terms a grade inventory is held and all instructors report the names of students who are doing unsatisfactory work. These estimates are not permanent grades but are used as an indication of the student's progress at the time. Inventory grades are based on one or more examinations in most classes, usually given immediately before the inventory reports are due. Final examinations are given at the end of each semester. Students who have unpaid accounts will not be allowed to take final examinations or to receive official grade records.

"Semester hours" is the term used at Stetson to describe the QUANTITY of academic work undertaken or completed. The QUALITY of academic work is described in terms of grades or quality points. Grades and quality points in courses represent the instructor's final estimate of the student's performance and are based on all work done during the semester. A (three quality points) through D (no quality points) are passing grades for which the student will receive credit. F (minus one quality point per hour) is the failing grade for which no credit is given. The quality point ratio is obtained by dividing the total quality points by the total hours attempted.

7. ACADEMIC PROBATION AND SUSPENSION. Students whose cumulative academic average drops below C will be placed on academic probation, which is continued until the C average is regained. If a student on probation fails to earn a C average in any semester, he is eligible to be dropped from the University.

8. EXAMINATION POLICY. The ultimate goal toward which we must all strive is a workable honor system. Realizing that such a system is not now feasible on the campus, however, the faculty recommends the following in order to establish a uniform disciplinary procedure:

(1) On the first offense the minimum punishment will be an F on the paper, test, or examination. The maximum punishment will be failure of the course. Naturally, the professor must make his position clear to each class at the beginning of the semester and must be consistent in the enforcing of his policy.

(2) A report of each offense will be sent to the office of the appropriate student dean to become a part of the student's records. A first offense will not become a part of a student's permanent record.

(3) Upon receipt by the student dean of a report of a second offense by the same student, he will notify the Dean of the University so that he may take appropriate administrative action, which, the Committee feels, should be suspension from the University.

9. **ALCOHOL.** Stetson University is opposed to the use of alcoholic beverages. We believe that drinking is not in keeping with the best academic interests or physical welfare of students, and that it is not compatible with the goals of Christian education.

The Student Councils investigate and adjudicate all cases involving the use of alcoholic beverages on campus or at University or fraternity functions. (A University fraternity function is defined as any fraternity activity taking place on University or fraternity property or any planned activity at which University women are present.) These cases include behavioral evidence of drinking displayed by students returning to the campus or attending functions.

Any conduct unbecoming to a Stetson man or woman on or off campus is considered a violation of the high standards which these Councils encourage and promote. There is no automatic penalty, as each case is handled on an individual basis.

10. **MARRIAGE.** A student who changes his status through marriage without notifying the appropriate student dean in personal conference prior to the wedding will be subject to suspension. This rule is in effect from registration in the fall to Commencement Day, or while attending the summer session.

11. **NOTICE TO PARENTS.** When a student is involved in serious difficulty — whether academic, financial, social, or otherwise — the University may notify his parents or guardians.

12. **AUTOMOBILE PRIVILEGE.** Students are advised not to bring automobiles to the campus until they have established their grades. Any freshman with a car who is placed on academic probation at the end of the fall semester, is required to take his car home at that time.

All students with cars are referred to the section of the Handbook dealing with student traffic, in order to know the proper procedure concerning registration, parking, and other traffic regulations.

STUDENT AID

Many college students need financial assistance beyond that which families can provide in order to complete their education. Financial aid to Stetson students is awarded on the basis of ability and promise and is available to all students who can establish need and who are maintaining a "C" average or better in their academic work. Aid is awarded yearly and must be renewed.

Stetson University is a member of the College Scholarship Service of the College Entrance Examination Board. All applicants for financial aid must provide the committee on Financial Aid with the Parents' Confidential Statement of family financial resources and whatever further information the Committee may require. Confidential statement forms are available at the Financial Aid Office.

Further information on financial aid may be obtained from the Financial Aid Office, the Admissions Office, the Dean of Men's Office, or the Dean of Women's Office — all located on the first floor of Elizabeth Hall — and from the University Catalogue.

The University's aid program is quite broad, but not unlimited. The amount of an award varies with the financial status of the student and his family, but there are cases when the financial need cannot be met with University funds. The University reserves the right to adjust the amount and type of aid if there is a change in the financial or academic status of the student.

TYPES OF FINANCIAL AID

WORK-GRANTS: All students receiving aid other than loans will be required to work on campus. The amount of time a student is required to work varies according to the amount of work-grant he is awarded. The maximum time required to work is fifteen hours per week. Jobs are assigned in keeping with a student's educational goals. No checks will be paid to students. All awards are deducted from business office accounts. Any student who quits his job or performs unsatisfactorily in his work shall forfeit the entire work-grant.

LOANS: Stetson long term loans are repayable on a term basis 10 years after graduation at an interest rate of 2%. This interest does not begin until after a student has left college. Should the student withdraw, the loan is due in 5 years; if he is suspended, it is due immediately. National Defense loans are repayable on a term basis 11 years after graduation at an interest rate of 3%. If you have been awarded a loan, you must apply to the business office for an application and file necessary papers before the loan is credited to your account.

Student Affairs Committee

The Student Affairs Committee is an organ of the University Faculty and administration, constituted to deal with the non-academic areas of student life. It is responsible to the President, through the Dean of Students' office, for the non-academic and non-classroom activities of students, as individuals and as organized groups. While the Student Affairs Committee delegates to individual staff members or to student organizations some specific areas or type of responsibility, it cannot divest itself of the ultimate responsibility for these activities, which include: Student Government Association, Women's Student Government Association, Men's Judiciary Council, Inter-Fraternity Council, Pan-Hellenic Council, Religious Life Council, Publications Board, Stetson Union Board, Green Feather Fund, student morale, and all student organizations.

A QUIET LUNCH ON THE CAFETERIA PATIO.

WOMEN'S STUDENT GOVERNMENT ASSOCIATION

As a residence woman, you will automatically become a part of the Women's Student Government Association, which was created by the women of Stetson University, who had a desire for self-government in all matters concerning them.

The assumption upon which these regulations are made is that university women should be given every opportunity to achieve maturity and good judgement in conducting themselves. Two fundamental bases of good conduct are CONSIDERATION of others and COMMON SENSE.

The Council has made an honest effort to eliminate from the regulations anything which is not based upon these two propositions. It is our desire to work closely with the women of the University in developing standards which will make us all proud to be university students.

A STANDARDS' POLICY

The Women's Council reserves the right to warn or penalize any woman student who conducts herself in a manner unbecoming a Stetson woman.

A woman student who has been suspended for violation of conduct regulations will not be allowed to attend any University function during the term of her suspension. She will be granted three days to leave the University, and will be put on strict probation from the end of the third day until she leaves, if this request is not complied with.

DRINKING

Stetson University is opposed to the use of alcoholic beverages. We believe that drinking is not in keeping with the best academic interest or physical welfare of students, and that it is not compatible with the goals of Christian education.

The Student Councils investigate and adjudicate all cases involving the use of alcoholic beverages on campus or at University or fraternity functions. (A University fraternity function is defined as any fraternity activity taking place on University or fraternity property or any planned activity at which University women are present.) These cases include behavioral evidence of drinking displayed by students returning to the campus or attending functions.

Any conduct unbecoming to a Stetson man or woman on or off campus is considered a violation of the high standards which these Councils encourage and promote. There is no automatic penalty, as each case is handled on an individual basis.

SMOKING

Stetson women do not smoke in or in front of academic buildings, in front of residence halls, in some specified areas of resident hall parlors or walking about on the campus or streets. All women are ex-

pected to use good taste and consideration concerning when and where they should smoke.

HONESTY

Under our system of Women's Government, it is vital that there exist mutual respect and integrity between the Council and the women of the University. Our system will continue to grow as women students assume increasing responsibility and conduct themselves with honesty in all matters.

DRESS

Skirts are worn to classes, to chapel, to assembly, and to offices in academic buildings. On Sundays, sportswear may be worn in the hat-rack, or patio, Panhellenic building, or tennis courts only. These standards apply to all women of the University, whether they live in residence halls or off campus.

RESIDENCE HALL REGULATIONS

It seems to the Council that, if we are to regulate our conduct on the basis of consideration for each other, it is important that we respect the right of others to study or sleep at any time during day or night. Therefore, we request all students to help by reminding each other that such consideration cannot be legislated.

ROOMS

There shall be no automatic penalties for disorderly rooms. Again, it is a matter of consideration for others and common sense that rooms be kept in a way that will create a pleasant atmosphere and improve personal health habits and aid students in achieving maturity. The Council, therefore, urges every student to cooperate in the upholding of this standard for her own sake and for the general welfare of the residence halls. Disregard of this request will be handled as a personal matter.

DOORS

Doors are NOT to be opened for any reason after they are officially closed.

GUESTS

A residence hall guest is expected to observe the regulations of the Women's Student Government Association. A guest is requested to sign two cards when she arrives at the residence hall in which she is visiting. One will be filed at the house desk, and the other will be given to the residence hall director. THE GUEST FEE IS FIFTY CENTS PER NIGHT.

A student is expected to obtain permission from her residence hall director before her guest arrives. Guests will be granted senior privileges. If the guest fails to observe the residence hall regulations, her hostess is held responsible. Guests are allowed only on Friday or Saturday nights.

VISITING HOURS FOR MEN IN WOMEN'S RESIDENCE HALLS

Sunday—Thursday - - - - - 10:00 a.m.—10:30 p.m.

Friday and Saturday - - - - - 10:00 a.m.—12:00 p.m.

HOURS FOR WOMEN

CLASS	WEEKDAYS	FRIDAYS	SATURDAYS
Freshmen	10:30 p.m.	12:00 p.m.	12:00 p.m.
Sophomores	11:00 p.m.	12:00 p.m.	12:30 p.m.
Juniors	11:00 p.m.	12:30 p.m.	12:30 p.m.
Seniors	11:00 p.m.	12:30 p.m.	12:30 p.m.

PERMISSIONS

Any freshman who will be out of the residence hall after 8:30 p.m. must sign herself out at the desk, giving information as specific as possible. Upperclassmen do not have to sign out. This places a special responsibility on the student to notify the residence hall director or the hostess on duty when she is unable to return to her residence hall on time, as the matter of being in the residence hall on time is based entirely upon the individual's honor. Any student who has obtained permission for a late activity extending beyond the normal closing time will sign out so that those in charge of the desk will know that she is out.

Important Note: When a student returns late to her residence hall for any reason, she is to go to the following designated doors or windows in each building and call:

Chaudoin - - - - - East door of South Wing

Conrad - - - - - Ring front doorbell.

Emily - - - - - West door, North Wing

Stetson - - - - - West end door.

It is imperative that these doors be used and that girls not call their friends to open other doors. We depend upon girls who may be called by their friends to remind them of the designated places.

OFF-CAMPUS OVERNIGHT PERMISSIONS

1. Any girl who leaves the campus to spend the night in her own home must sign out on yellow card. (Freshmen with Dean Parker).

2. Any girl of any class who leaves the campus to spend the night in any place other than her own home must have an invitation filed in the office of the Assistant Dean of Women and will obtain permission from her office.

3. Permission for girls to spend nights in the City of DeLand are granted only in special cases.

4. Seniors whose parents grant permission for them to spend weekends at the Beach unchaperoned may make necessary arrangements through the Office of the Dean of Women.

5. Girls leaving for overnight are expected to leave by 7 p.m. unless special permission is obtained from the Office of the Dean of Women, residence hall directors, or the hostess on duty. If a girl is signed out of a residence hall for an overnight off-campus, she must not return for any University function unless she returns to the resi-

dence hall for the night of the function.

The Dean of Women will mail to each parent or guardian a blanket permission form to be filled out and returned to her. All permissions will be granted on this basis. Parents or guardians are notified when a permission has been granted.

SIGN-OUT CARDS

Freshmen use WHITE cards for:

1. Permission to be out of the residence hall after 8:30 p.m.
2. Permission to spend the night in another residence hall or the Panhellenic Building.

Second-, Third-, and Fourth-year women use WHITE Cards for:

1. Permission to be out of the residence hall after it closes.
2. Permission to spend the night in another residence hall or the Panhellenic Building.

ON-CAMPUS OVERNIGHT PERMISSIONS

Residence hall girls obtain permission to spend the night in another residence hall or in the Panhellenic Building from their residence hall director. All girls sign out on their white cards for this permission by 8:30. Master sheets are sent to the Panhellenic Building with the names of all girls spending the night. When a residence hall director signs permission for a girl to spend the night in another residence hall, she will call the residence hall in which the girl will be staying.

SPECIAL PERMISSIONS

Girls are not to leave the residence hall until it is officially opened at 6:45 a.m. during the week and 7 a.m. on Sunday, unless special permission is granted by the residence hall director. Special late permissions for individuals will be handled by the Executive Council. Requests for AFTERS must be made at the Council meeting preceding the event. If this is not possible, the permission must be obtained from the President or Secretary of Executive Council or your dorm president.

A girl who has obtained permission from Executive Council to return after the resident hall has closed or after the time of her latest permission must sign out with her residence hall director for an AFTER.

VISITING MEN'S LIVING QUARTERS

Girls may visit men's residence halls or fraternity houses only during the hours posted on the bulletin boards in women's residence halls. Girls are NOT FREE to go into any man's living quarters on or off campus at ANY TIME without obtaining special permission from the office of the Dean of Women.

PANHELLENIC BUILDING

Two couples may be in the Panellenic Building only after permission has been granted by the Dean of Women's office or the President of Executive Council.

PRIVILEGES

SENIORS

As an expression of the faith which the Women's Council has in

the willingness of Stetson University women to assume increased responsibility for their conduct, senior women are granted the privilege of using the residence hall keys for special occasions which make it necessary for them to come in after the buildings are closed on any night. To obtain a key a senior must sign out before 10:00 p.m. on the particular night she wishes to use the key, give the requested information concerning her destination and anticipated hour of return. The Women's Council has faith that the seniors will treat this privilege as a special trust. Each girl is responsible for the key she checks out; and if she loses the key, it will be necessary for the Council to revoke her key privilege. The Council reserves the right to investigate any misuse of this special privilege.

JUNIORS

Juniors may check out a key six times during the year. The same rules and procedures apply to them as in the above concerning seniors.

SOPHOMORES

Any sophomore woman who goes an entire month without a late minute, will receive an extra half hour on the Friday night of her choice.

FRESHMEN

Freshmen women who earn a 2.5 or higher average for the first semester will be granted sophomore hours. Any Freshman woman who goes an entire month without a late minute, will receive an extra half hour on the FRIDAY or SATURDAY of her choice.

COUNCIL MEMBERS

Because of the tremendous responsibility placed on the members of the women's council, it seems only fitting to grant them some type of reward. Therefore freshmen serving on the house councils will receive sophomore hours; sophomores will receive junior and senior hours.

WOMEN'S EXECUTIVE COUNCIL

Any woman is eligible to run for Women's Executive Council or House Councils if she is a freshman, sophomore or junior. Elections are held second semester. A girl must maintain a C-average.

THE DORM IS A PLACE TO MEET NEW FRIENDS.

Men's Judiciary Council

The Men's Council serves as a link between the University men and the Administration and tries to develop a sense of responsibility and high standards of conduct in each Stetson man as a corollary to its governmental functions.

Twelve representatives of the men students of Stetson University are elected to the Council every spring under the rules of the Council Constitution; no more than three members of any social fraternity may be members of the Council at one time. Members of the Men's Council for 1965-66 are as follows:

PRESIDENT—Dick Mayer

SENIORS—Dick Shuford, Bob Eslinger, Joe Garner, Jerry Jackson, Larry Hastings.

JUNIORS—Dick Mayer, Bill Morris, Serve Sanchez, Jan Roberts.

SOPHOMORES—Mike Repass, George Hayes, Dave Heath.

The Men's Council exists to serve Stetson men, and they are encouraged to express themselves to Council members at any time on any matter concerning themselves or any number of the men students.

Men's Council reviews all violations of men's conduct regulations and recommends appropriate action to the Dean of Men, and when appropriate, the Student Affairs Committee.

PENALTIES USED BY MEN'S COUNCIL

Penalties involving suspension must be reviewed and approved by the Student Affairs Committee. The length and nature of all penalties is determined by the seriousness of the individual offense. Any man strongly suspected of violation of either the letter or the spirit of a men's Council penalty is subject to suspension. The five types of penalty used by the Council, described below, may be applied singly or in combination.

1. **SUSPENSION FROM THE UNIVERSITY FOR A SPECIFIED OR AN INDEFINITE PERIOD OF TIME.** A student who has been suspended for violation of conduct regulations will not be allowed to attend any University functions during the term of his suspension. The Council may or may not recommend readmission.

2. **STRICT PROBATION.** This penalty includes all restrictions mentioned under social probation, plus the restriction of the man to his room from 8:30 p.m. until 6:00 a.m. No visitors are allowed in his room, nor will he have telephone privileges during these hours. He may accept long distance telephone calls. A man on strict probation is allowed to stay out until 10:00 p.m. on Sunday if he attends church services at night.

3. **SOCIAL PROBATION.** During the probation period the man cannot attend any University event—dramatic, musical, athletic, or social—unless he is required by a professor to attend the event because of a course in which he is enrolled. This includes intramural activities and all fraternity functions except the regular weekly business meetings. During this probation, he is not allowed to be associated with any University woman after 8:30 p.m. Out-of-town trips are prohibited, unless prior permission is obtained from an officer of the Council.

4. **UNRESTRICTED PROBATION.** This penalty does not restrict the man's college activities. However, during this probationary period (as in the case of strict probation and social probation), any violation of any University regulation will be considered grounds for suspension.

5. **WORK ASSIGNMENT.** Any man who takes away from the University community life or destroys property may be required, in addition to payment for damages, to contribute of his time for constructive purposes. All work assignments must be made with the approval of the Dean of Men's Office.

MEN'S RULES

Stetson men are expected to conduct themselves as gentlemen at all times, and the Men's Council reserves the right to take appropriate action in any case of ungentlemanly conduct. All types of misconduct cannot be anticipated by rules, but the following rules are printed for the guidance of all men.

1. Because of the danger of fires, smoking is prohibited in Elizabeth Hall, Sampson Library, Business Building, Allen Hall, DeLand Hall and Annex, Holmes Hall, and Hulley Gym. Smoking is not permitted in the parlors of the women's residence halls.

2. Possession or use of firearms, firecrackers, or explosives on the campus is prohibited. Men who wish to use guns during hunting season must make proper arrangements for the storage of their guns before bringing them to campus.

3. Stetson University is opposed to the use of alcoholic beverages. We believe that drinking is not in keeping with the best academic interests or physical welfare of students, and that it is not compatible with the goals of Christian education.

The Student Councils investigate and adjudicate all cases involving the use of alcoholic beverages on the campus or at University functions. These cases include behavioral evidence of drinking displayed by students returning to the campus or attending functions.

Any conduct unbecoming to a Stetson man or woman on or off campus is considered a violation of the high standards which these Councils encourage and promote.

4. Any group of three or more men engaged in minor vandalism on fraternity property will be suspended from school. This rule includes the painting of fraternity mascots. The Men's Judiciary Council works with the Interfraternity Disciplinary Council on violations of this regulation. Any individual engaged in more serious acts of vandalism or property destruction will be suspended.

5. Any man who gains unauthorized entry to the women's residence halls will be liable for suspension.

6. Since property destruction or other misconduct usually accompany riotous action, students who foster or participate in such action will be severely disciplined.

HOUSING RULES

All men, whether they live in the University Residence Halls or off campus, must comply with rules governing housing. General regulations are enforced by the Dean of Men's Office. Residence Hall regulations are enforced by the Dean of Men, Head Resident, Resident Advisers,

and House Councils. These staff members will welcome any and all suggestions for improvement of residence hall life.

1. All unmarried freshman and sophomore men are required to live in the University Residence Halls unless they live at home with their parents or guardians. In some instances sophomore men are excused.

2. At no time are men permitted to have women visitors in their living quarters, either on or off campus.

Women students are free to visit fraternity house and the lounge in Carson Hall only during the scheduled hours which are posted in the residence halls and in the fraternity houses. Any special permission to visit men's living quarters must be obtained from the Dean of Women.

3. Changes of off-campus quarters must be approved by the Director of Off-Campus Housing before they are made.

4. Each man must keep his correct address on file in the Office of the Dean of Men.

5. Approved housing units for unmarried men require the renter and the landlord to be under the same roof, unless specific permission is given by the office of the Dean of Men. Garage apartments, trailer camps, houses, motels, or auto courts are not approved as rooming facilities for unmarried men.

6. Unmarried man will not be allowed to commute unless they live at home with parents or guardians and written permission for commuting has been filed by the parents or guardians in the office of the Dean of Men.

7. Stetson men are expected to dress in good taste at all times, especially in public areas and when calling at the women's residence halls. All men are expected to wear coats and ties for the Sunday noon meal at the University Commons and at any other time when the occasion demands it. Bermuda shorts may be worn in the classroom if the professor approves.

8. Any man convicted of theft will be subject to suspension from the University.

9. In a situation where the University is responsible for the actions of students, the rules governing students as set forth in the Handbook are applicable.

Student Traffic Department Of The Student Government

DIRECTOR — JOHN BOHMFALK

PURPOSE . . .

The purpose is to organize, administer, and enforce traffic procedures on the campus in the best interest of administration, faculty, and students.

LOCATION . . .

The office is located in room 201 of the SUB, with the hours posted on the door. Post office box number is 1349.

REGISTRATION . . .

Registration of automobiles is part of every student's university registration, and is done so at the same time, or when a car is brought onto campus. Failure to comply will subject the student to a \$10.00 fine.

REGULATIONS . . .

A set of traffic and parking regulations are issued to every student upon registration.

PERMITS . . .

If a student brings an automobile on campus for less than two weeks, he may apply at the office for a special permit which is issued without charge. Failure to apply will be considered non-registration and the same fine will be imposed.

No freshman on academic probation may have an automobile on campus.

FINES . . .

1st violation	-----	\$1.00
2nd violation	-----	\$2.00
3rd violation	-----	\$2.00
4th violation	-----	\$3.00
5th violation	-----	Loss of automobile privileges on campus and car will be sent home for a semester or longer.

APPEALS . . .

Any appeals must be submitted within five days after receipt of a violation ticket to the traffic chairman.

THE LIBRARY MAINTAINS REGULAR HOURS AT NIGHT.
